Masticating Juicer

TC-017-001

Use TEAM CUISINE's masticating juicer to make tasty and healthy juices full of nutrients like vitamins and antioxidants from the plants of your choice. Made with a strainer that is 8 times stronger than traditional plastic, this juicer is very solid. The slow speed screw allows a maximum juice yield and gets the most of the fruits and vegetables to avoid waste and guarantee the best taste. The results are similar to a hand-squeezed juice without the efforts to make it. A cleaning brush is included to keep the juicer easily washed. The machine also includes a juice cup and a pulp cup.

- Slow speed screw type squeezing out every drop for maximum juice yield.
- Rotates at a speed of 40-65 revolutions per minute, mimicking the motion of hand-squeezing juice.
- Heavy-duty strainer and auger are 8 times stronger than traditional plastic

Power supply: AC 220-240V, 50/60Hz

Rated power: 200W
